**19TH ANNUAL
WAEGER C.U.P.
OCT. 1, 2023**

Life is 10% what happens to
you.... and 90% how you
react to it

History

NCCF was founded by Dan Waeger shortly after he was diagnosed with cancer. He was treated for 10 months before doctors designated it Cancer of Unknown Primary (C.U.P.). This led to the tournament's name-the Waeger C.U.P.

He battled the disease for almost 4 years before passing away on March 16, 2009. Through his example, Dan challenged others to be active in their own lives — to be proactive, to be a participant, to be accountable, and to be willing to make a meaningful difference in the world.

Dan's legacy lives on through NCCF and the Waeger C.U.P.

Closest to the Pin Contest

Hole Sponsor • \$100

Who We Are

The Waeger C.U.P. supports NCCF's mission to provide financial support and services to young adults diagnosed with cancer. Our goal is to help these survivors and their families establish a "Will Win" attitude in their fight, just as Dan Waeger exemplified during his.

Your support of the 18th Annual Waeger C.U.P. funds scholarships for young adult survivors between the ages of 18 and 35 who are pursuing higher education. Since 2015, NCCF has awarded over \$675,000 through the Waeger C.U.P.
